SAS Launches a 50th Anniversary Local Membership Drive

Sacajawea Audubon (SAS) encourages everyone who enjoys our field trips and monthly programs or supports our conservation work to join the local chapter. Even if you belong to the National Audubon Society, we need your support through a Local SAS Membership. 100% of your Local Membership dues will directly support SAS educational and conservation programs.

Local membership gives you the benefit of the free newsletter (published 9 times a year), discounts on SAS sponsored classes, as well as confidence that your membership dues is sustaining conservation of important local bird habitats and the preservation of Kestrels, Bluebirds, Golden Eagles, Trumpeter Swans, and many other species of shorebirds, songbirds, raptors and waterfowl.

We hope that you will join now, as we approach the 50th Anniversary of our chapter's existence.
