## **Wilderness and the Pryor Mountains: A Vision for the Future**

Photo by Dick Walton

As part of its continuing series of *Wilderness and ...* presentations, the Montana Wilderness Association's Madison-Gallatin Chapter will present a free slide and video tour of the diverse Pryor Mountain landscape. The presentation by Dick Walton, who has fifty years of experience in the Pryors, will emphasize why this unique island range merits careful preservation and will discuss opportunities for its protective management.

### ***"Wilderness and the Pryor Mountains: A Vision for the Future"***

"Wilderness and..." is a series of lectures recommended for area newcomers, families, outdoor enthusiasts, and anyone with a passion for wild places and for protecting Montana's wildlands. This program is free and open to the public.
