

# JOIN THE FLOCK & FLY HIGH TOGETHER

## SAS Annual Local Membership Drive for 2020

**S**acajawea Audubon Society (SAS) encourages everyone who enjoys our field trips and monthly programs or supports our conservation work to join/renew your local chapter membership. Even if you belong to the National Audubon Society, we need your support through a Local SAS Membership. As an SAS member, you'll enjoy the benefits of membership while knowing that 100% of your annual dues will be used for conservation right here in your own neighborhood. Join our flock today by filling out the membership form below or join online at <https://sacajaweaaudubon.org/its-time-to-renew-your-chapter-membership>.

SAS's Local Membership gives you many benefits. **SAS Members Are.....**

- Protecting working lands for birds and other wildlife
- Preserving and protecting bird species and their habitats
- Supporting bird-friendly communities

in Montana with our bird-friendly landscape program

- Contributing to important environmental education programs for people of all ages and abilities on birds, wildlife, and habitat
- Supporting vital partnerships between other nonprofit environmental groups, citizens, and local government to shape the health of our community
- Advocating for important local and regional environmental issues

### SAS Members Enjoy:

- Free monthly Keynote Speaker meetings
- Free "Birding Hotspots of Gallatin Valley" guide
- Free monthly e-newsletter (published 9 times a year)
- Member-only discounts on educational courses, programs, and special events
- Savings on purchases and access to member-only sales

- Opportunities to meet new people and become part of a group that shares an interest in birds, wildlife, the environment, and conservation
- Participating in citizen science projects
- Free guided birding field trips

While SAS is a chapter of the National Audubon Society and a participating chapter of Montana Audubon, SAS's Local membership does not include membership in NAS. We are an independent 501(c)3 nonprofit organization with our own board of directors, membership, budget, and programs.

We hope that you will join today, as we approach our 53rd year as an effective local grass-roots group, building on an interest in birds to promote the conservation of our natural environment through enjoyment, education and action. Thank You!
